

# HAWKWOOD

centre for future thinking

## **FURTHER INFORMATION IF COMING BY PLANE**

**Bristol International Airport** is the nearest to Stroud but unfortunately there is not an easy public transport network to get to us here at Hawkwood. The simplest way would be to pre-book a taxi with an approximate cost in the region of £140.00 each way. You can find our local taxi numbers [here](#).

Alternatively you could fly into **London Heathrow Airport**. From there you can take the Heathrow Express to Paddington Station which runs approximately 3 to 4 times an hour between 05:00 hrs and 23:30 hours. Please click on the following link for more information and prices <https://www.heathrowexpress.com/>

From **London Paddington** station to Stroud there are several direct trains daily. Please click on the following link for Trainline <https://www.thetrainline.com/> to check exact timetables and prices.

Once in Stroud you would need to travel by taxi to Hawkwood which is only a 5 minute drive and cost about £12.00
